

Street Masters

Gravity Drag Rules

1. All vehicles must be in neutral. Any vehicle found to be in gear, after the green light, will be disqualified.
2. Engine at idle speed only for power brakes and steering. (Starters will ask you to bring engine RPM's up to confirm the vehicle is in neutral after staging.)
3. Red light is an automatic loss.
4. Races will be double elimination.
5. Maximum of 2 people in a vehicle.
6. No pushing on vehicle to make it go faster.
7. Hands inside vehicle at all times.
8. Obey all City of Pierre traffic laws.
9. Absolutely NO ALCOHOL allowed during the Gravity Drags. (Anyone with alcohol in their vehicle or drinking alcohol during the Gravity Drags WILL BE DISQUALIFIED.)
10. Win light at the end of the track will determine winner of that race. Finish line personnel will direct you to the appropriate staging lane after each race.

Trophies will be awarded for the following:

Tri-Five Class

Street Class (Everything but 55, 56 & 57 Chevys)

King of the Hill (Run off between winners of each class)

Turtle Award for the slowest
(No Brakes please as we will be watching)
