## **THE PREZ SEZ**

The car shows are starting in earnest now. Be sure to double check dates and times when you plan on attending an out-of-town show.

I hope you are planning on getting your vehicles out and on the road for the club's cruise nights. The schedule is included in each newsletter and also available on the Street Masters website. Our NSRA safety inspection date is Wednesday, May 18, at Exhaust Pros in Pierre. For anyone who has not participated in this before, it is a great free inspection. We will also enjoy a potluck dinner; plan to participate and bring a dish to pass, plate, silverware, beverage, and a chair. Dave and Kathy Hausmann provide ice cream and toppings for dessert.

Our club meeting is Monday, May 16, at McClelland's Restaurant in Fort Pierre with dinner at 6 (for those who want to join) with the meeting beginning at 7:30.

Hope to see you at the meeting!

BEEP BEEP!

Ann Curtis

Members present: 25

Meeting called to order by Ann Curtis, President. The March 2016 minutes and treasurer's report were adopted.

#### **Old Business**

2016 Dam Run: The 2016 logo has been finalized and club t-shirt orders were taken from those at the meeting. Sign-up sheets for the Dam Run committees were passed around so members could indicate their committee selections. Frank Eich is working with the city in regard to having the Friday evening gearhead reunion on Main street. He is also working

on reserving the circle drive in front of the Capitol for the Saturday show-n-shine. Marlin Roseland indicated he is beginning to get questions concerning the time and fees so would like details for the website as soon as possible.

Scholarship fund: Ann Curtis requested, and Steve Brown agreed, to be in charge of the scholarship fund beginning immediately. Members discussed the two applications that were received. Steve suggested that each applicant be awarded a scholarship. Members passed a motion to award each applicant a \$500 scholarship with the funds being sent to the applicants' postsecondary school upon confirmation that the applicant is a student at that school.

Members decided on Wednesday, May 11, beginning at 5:30 for the inspections to include a potluck dinner at 6:30.

### THIS AND THAT

- NSRA club vehicle inspections under the direction of Dave Hausmann will take place on Wednesday, May 18, at Exhaust Pros in Pierre. All members are invited to have their classic vehicles inspected and participate in a potluck dinner. Inspections will begin at 5:30 p.m. with the potluck beginning at 6:30. Potluck participants are asked to bring a dish of your choice to share, your own beverage, plates, silverware, napkins, serving utensil, and lawn chair. Ice cream and toppings will be provided for dessert.
- Since the newsletters have been emailed **and** snail mailed, several members have requested to receive only the emailed document. If you are still receiving both and would like to eliminate the paper newsletter, or if you are not receiving the email, contact Roxie Thielen at [thielen4424@msn.com](mailto:thielen4424@msn.com) We want to make sure everyone continues to receive club information, so will continue the paper mailing for those preferring that method. A decreased number of newsletters mailed will reduce the printing and mailing fees for the club.
- Remember to visit the “South Dakota Classic car and car parts for sale-trade PRE-80’s” Facebook page to list and view vehicles and vehicle parts.
- Cruise night coordinator, Cale Zickrick, requests input on cruise ideas and locations. Also let him know if you are willing to host a garage tour. Cale can be reached at 605-441-3543.
- To host a successful Dam Run this summer, all members are encouraged to get involved with this project. Sign-up sheets for the various Dam Run committees and the pre-order of shirts will be available at the May club meeting. If you are unable to attend the meeting but want to get involved, contact Dam Run chairman, Frank Eich, 220-2042.
