THE PREZ SEZ

It looks like the Sioux Avenue Cruise Night had a great turn out...even with the heat. Congratulations Ryan and Monacha Ellerton for organizing this event.

Remember, if you are planning on attending an out-of-town car show, be sure to check the times and date before you leave town. Also see about taking Dam Run flyers to pass out at show you attend.

Welcome to our new members JW and Liz Hansen from Arizona.

Our next meeting is Monday, June 20, at McClelland's Restaurant in Fort Pierre beginning at 7:30. Hope to see you all at the meeting. Members wanting to eat dinner prior to the meeting gather at 6 p.m.

BEEP BEEP!

CLUB MEMBER HIGHLIGHTS

The June highlight is from our newest club members, JW and Liz Hansen, from Arizona. JW and Liz were in Pierre last August and decided to join the club. Along with their membership payment for two years, JW sent the following message:

We were honored to be invited to your Cruise In at Classy's on August 22, 2015. The following run through Pierre, across the bridge and return was fun. I wish I had a nickel for all those runs I made in my day in my '55 Chevrolet and my '63 Impala. But we can only keep our memories until they too pass.

I apologize for not formally introducing myself and my wife. As a new member of your club, let me do that now.

My name is JW Hansen and my wife is Liz. As some of you know, I am a Native of Pierre and grew up in Pierre with the Class of '66. My wife was born in Honolulu, Hawaii and grew up in Virginia Beach, Virginia. My family lived in Pierre for 100 years beginning in 1909 when my late grandfather settled there. When my late mother passed away in 2009, I sold the estate ending our time in Pierre.

In 1968 I was requested by our "Uncle Sam" to join him in worldwide adventures. This took me away for a few years and upon returning, I worked for the State of SD until landing employment in Law Enforcement with the Pennington County Sheriff's office. Retiring in 1995 from Law Enforcement, I worked for the United States Forest Service where I met Liz. I fully retired at the end of 2009. We enjoy traveling to Western Europe and Scandinavia as well as all around the United States.

I am sorry we missed getting my Zesto that evening of the run, but maybe God will provide us with another visit to the Pierre area someday. There are a few things in Pierre that cannot be enjoyed anywhere else and Zesto is one of them.

I am also sorry that we did not get a photo shoot in with our cars. Bill's white '37 Coupe is a real nice looking car. Maybe someday I too will find one like it. We think our next one will be a 1940 or 1941 Ford ½ ton pickup that is a good original driver though. Thank all you guys who complimented my 1934 Ford 3 window Coupe. I was flabbergasted in Deadwood when I won first place in 3 separate categories at the Kool Deadwood nights. You guys have some great rides too.

Thank you all and I will be looking forward to reading updates on the Club's activities.

STREET MASTERS MEETING SUMMARY – May 16, 2016

Members present: 27

Guests: Mike Conrad from Highmore and Scott Schroeder, Owner of the Long Branch

Meeting called to order by Ann Curtis, President. The April 2016 minutes and treasurer's report were adopted.

Old Business

2016 Dam Run: Curt Human introduced Scott Schroeder, owner of the Long Branch. Scott indicated to the group that the Long Branch was in favor of the club having the Friday night gearhead reunion on Pierre Street. He was going to advocate on our behalf with the other businesses located on that street and with city officials to ensure a successful evening. Ryan Ellerton suggested that having street food would be a good idea. John Noyes mentioned that because Pierre Street intersects with a main highway that it may be difficult to have the reunion on the first block of Pierre street off the highway and we may have to look at moving the show down a block. Those in charge of the gearhead reunion were going to inquire of various officials in regard to the feasibility of using Pierre Street and proceed with that location if at all possible. The pre-order Dam Run t-shirt order was again passed around.

New Business

Great American Race: On the Friday, June 24, the Great American Race is passing through Murdo between 10 a.m. and 2 p.m. Dave Geisler, Pioneer Auto, invited club members to Murdo to view the event.

Cruise nights: Cruise coordinator, Cale Zickrick, asked for options/offers of garage tours to schedule during the club cruises.

Highmore car show: Jerry Dittman shared information on the June 18th Old Settler's 11th annual vehicle show in Highmore. Registration begins at 3 p.m. with awards beginning at 6:30.

THIS AND THAT

- Thank you Denny and Marty Ottenbacher for hosting the May NSRA vehicle inspections and potluck. Thank you also to our “official inspector” Dave Hausmann for his careful safety inspection of our vehicles. We had a wonderful evening of conversation and great food while accomplishing the important vehicle inspections.
- Since the newsletters have been emailed **and** snail mailed, several members have requested to receive only the emailed document. If you are still receiving both and would like to eliminate the paper newsletter, or if you are not receiving the email, contact Roxie Thielen at thielen4424@msn.com We want to make sure everyone continues to receive club information, so will continue the paper mailing for those preferring that method. A decreased number of newsletters mailed will reduce the printing and mailing fees for the club.
- Remember to visit the “South Dakota Classic car and car parts for sale-trade PRE-80’s” Facebook page to list and view vehicles and vehicle parts.
- Cruise night coordinator, Cale Zickrick, requests input on cruise ideas and locations. Also let him know if you are willing to host a garage tour. Cale can be reached at 605-441-3543.
- John Whaley has several past Dam Run t-shirts he is willing to share with others. If you need one to complete your collection, contact John.
