## President's Message

Greetings,

First of all, I would like to thank you for the opportunity to lead the Club. I look forward to working with all of you to make the Club an organization we can all be proud of and continue the traditions and activities Pierre Street Masters has become known for. In addition, I hope you will join me in thanking Ann Curtis for her leadership as Club president the past two years.

Please keep Dennis Ottenbacher, lifetime Pierre Street Masters member, and owner/operator of Exhaust Pros in your thoughts as he continues his recovery from serious health concerns. Dennis is doing well at this time.

Longtime friend of the Club, Bobby Watkins, lost his mother in late January, following an extended illness. You will remember that Bobby lost his spouse, Martha, last summer.

Please keep the Watkins family in your prayers.

There are many car shows in the upcoming weeks and the listings appear in the Events section of the website. If you are aware of happenings of interest to the Club membership, feel free to drop me a note at [info@pierrestreetmasters](mailto:info@pierrestreetmasters) or text me at 605 222 9437. I will try to get the listings updated in a timely manner. As always, if you attend a car show, swap meet, or meeting, please remember to take a camera and forward the photos to the same address above. In addition, it is my hope that we can get a 2017 Dam Run flyer or poster together, in the very near future, for distribution at any shows you may attend.

Please plan to attend the next Club meeting at McClelland's Restaurant, on Monday, February 20, 2017, at 7:30pm. For those interested, we will meet at 6:00pm for dinner. We will be discussing the need to update and amend the By-Laws of the Club, among other items of interest.

Thank you, again, for your continued support for the "recognition, restoration, preservation and safe operation of special interest automobiles."

Regards,

Marlin
