STREET MASTERS MEETING SUMMARY – June 15, 2015

Members present: 22 members

Meeting called to order by Ann Curtis, President. The May 2015 minutes and treasurer's report were adopted.

Old Business

The Edgewood Assisted Living Center drive through was discussed again. It was decided to incorporate this drive through into the Wednesday night club cruise.

2015 Dam Run:

- Raffle was discussed. Yes, we will have a raffle. Possible items to raffle were mentioned with no real decision in regard to exactly what would be included.
- Frank Eich will pursue publicity options including being on KCCR radio, etc.
- A number of ideas were presented in regard to letting people who have not paid the Dam Run fee being allowed to show their vehicles at the official Show-n-Shine. The discussion centered on not offending people

that wished to show their vehicle but also the unfairness of allowing people to participate at no cost to them. It was decided that any unpaid person wishing to show their vehicle would not be eligible for any awards. Also, the possibility of putting these vehicles toward the back was discussed but that implementing this would be difficult. It was noted that it may also be difficult to actually know who has or has not paid their fees for the Show-n-Shine. No definitive action was implemented.

New Business
