

July 2017

President's Message

The July Street Masters Monthly Meeting will find Ardys and me on the road returning from attending the 8th Annual Meltdown Drags at Byron Illinois, arguably the coolest vintage drag race gathering on the planet. I trust that Vice President Ryan will take charge of the meeting and lead a lively discussion and productive gathering.

This meeting will be our last full meeting prior to Dam Run 2017. If you have not already done so, please talk with Frank and get your name on one of the support committee's. We can always use help along the way, and no help will ever be refused!

If you have not already placed a pre-order for the 2017 Dam Run shirts, PLEASE do so before July 20th. The order details are posted on the website, along with a printable order form. The Ellerton's will have additional copies at the meeting. It is imperative that we get as many pre-orders as possible for Street Master's members, as we will have a limited supply of shirts and styles for sale to our guests that weekend. The best selection, in all styles, is available by pre-order.

The Club has had great luck at car shows this summer, so far. We have brought home hardware from Highmore, Gettysburg, and St Lawrence and Minnesota in the past month. Please let the Club know of any awards you may have won. And, as always...take your cameras to these shows...and I will get your shots posted. Rebecca Urban, Kale and Beth Urban's daughter, has contributed her photographic talents for a couple shows. Photos are posted on the Photo's page of the website.

On a related note, I am planning to rework the Members photo page. I have been looking at several different photo pages and will get that cleaned up and more functional as time goes on.

Wednesday Kruise's have been well attended, and while I know that not every week works for everyone, please make the attempt to attend when you can. We will have a special event for Kruise night on Tuesday, July 25, in historic downtown Fort Pierre. The event will begin at 5:30pm and run until around 8:00pm in conjunction with their Bicentennial Farmer's Market program. There will be live music, food vendors and of course, fresh produce from area gardeners and farmers. Please plan to attend and support the summer long Fort Pierre Bicentennial Celebration.

Before I close, fair warning to the forgetful....Roxie (and Bob) will be checking for your "Official" Pierre Street Masters name tags (Duct tape facsimiles will not be allowed) at the door on Monday evening.. As

discussed at our last regular meeting, we will “fine” a Club Member for not proudly wearing their name tags at regular meetings. The fine will be \$1.00 for any Club Member not in compliance. It goes without saying that your name tags should be worn at all Club functions. There will be no warning tickets given.....You have been warned.....Correct change will be required!!!

Thank you, again, for your continued support for the “recognition, restoration, preservation and safe operation of special interest automobiles.”

Regards, Marli
