Pierre Street Masters

JUNE 2018

PO BOX 185, PIERRE, SD 57501

President's Message

Greetings,

First, and foremost, please remember our meeting venue change for Monday, June 18 - Perkins in Fort Pierre. Dinner at 6p/Meeting at 7p.

The weather appears to be passing right by any spring-like conditions and moving right into summer. It is great to see members out and about in your vehicles. Please remember to share your love of anything automotive and the Club when approached by curious onlookers. If you don't have a few Pierre Street Masters business cards, please see Roxie at the next meeting. The cards are a great way to invite new-members to join our Club. Additionally, if you see a group or even one vintage car travelling through the area, please try to talk with them and spread the Pierre Street Master's word. I have never met a car guy or gal that is short for words when asked about their ride. Had a

great conversation with a group of hot-rodders from the Brainerd, MN area last weekend. We were with the kids at the 371 Diner in Baxter, MN and two pretty kool cars pulled in and parked on the lawn out front. Had a great conversation, told them about the club and our story and gave them a card. They were interested in our membership numbers and the types of cars our members had. I referred them to the website, and while I was talking with them, one of the party pulled up the site and passed the phone around. Great folks and kool cars.

As always, there are several local events to attend to. The Pioneer Auto Auction is this coming Saturday, June 16 in Murdo. Please see your email for further information. Our first Fort Pierre Farmer's Market show will be Tuesday, June 19, in downtown Fort Pierre, starting at 5pm -8pm. Taste of Oahe Days will be Thursday, June 21, in the

parking lot at Steamboat Park, starting at 6pm-8pm. Finally, there will be a gathering at Drifters on Sunday, July 1, starting at 11am. Details on all these events will be discussed at the next meeting.

Please remember Wednesday Kruize nites. Dates and locations are posted on the website.

**—One more thing—
GET YOUR
DAM SHIRTS
ORDERED!! The order form
is attached. Deadline is
July 15, 2018.**

See you all on June 18, at Perkins!

Thank you, again, for your continued support for the "recognition, restoration, preservation and safe operation of special interest automobiles."

Regards,
Marlin

President Marlin Roseland called the meeting to order.

The April 2018 minutes and treasurer's reports were read. A motion was made by Mike Denton and second by Rich Shangreux to approve the minutes. A motion was made by Roger Seefeldt and second by Mike Denton to approve the treasurer's report.

Club Accolades: Condolences to Deb and Frank Eich for the passing of Deb's father. The club welcomed back the "Snowbirds" from Arizona.

Committee Reports:

Dam Run – Kale Urban showed the proof of the Dam Run logo from RMS Printing. T-Shirt order forms were handed out. Reminder to members to complete the order form and get the order and payment to Marlin by July 15th. The Dam Run agenda, registration form and T-Shirt order form were mailed to Dam Run participants from the past couple of years. Thank you to Marlin for the printing of materials and to Ann Curtis for stuffing and mailing the flyers. Flyers and Posters are available for members to take and distribute.

Newsletter – New members will be put on the newsletter mailing list. Marlin reminded members to contact Ardys or himself if you are not receiving the electronic copies via email. For those with no emails a hard copy of the newsletter will be sent to you.

Membership – Chairman Rich Shangreux welcomed new members: Dr. Noel Chicoine (1920 Roadster, 1923 Model T and a 1926 Coupe); Bill Welch (1966 Ford Thunderbird) and returning members: Jerry Dittman (1970 Olds 442, 1970 Olds Cutlass, 1927 Ford T Roadster); Mike Konrad (1968 Ford Torino, 1961 Ford F100 Uni, 1961 Ford F100). Their information will be added to the membership listing.

Scholarship – Steve Brown reported that the club did receive 2 applicants by extending the deadline to May 18. Those applicants were: John Erickson from Pierre attending Lake Area Vocational Technical Institute and Bode Thomas from Lyman High School, Kennebec, SD planning to attend Lake Area Vocational Technical Institute. The applications were reviewed by Club officers and it was recommended that Street Masters award both applicants once Steve reviews their grade point averages. A third candidate was discussed where he was an alternate in 2017 and a possibility for 2018. Due to family circumstances, his school status has changed. Cale Zickrick made a motion to accept John Erickson and Bode Thomas once grade point averages are reviewed and Dale Hunsley second the motion. Once approved by Steve, he will contact Roxie Thielen to generate checks to their designated schools.

Cruise Schedule – Our next gathering is 6 p.m. at Taco John's May 23. Kale Urban is opening up his garage following dinner at 1533 North Star, Pierre, SD. Other dates scheduled are: Grey Goose May 30; Dairy Queen June 6; Hardee's June 13. Suggestions are welcome on where to meet.

It was a beautiful day and residents were able to come outside and enjoy all the cars. Rich Shangreux suggested next year Pierre Street Masters host Root Beer Floats in conjunction with the car show for the residents. Thank you to all of those that participated in this community event.

NSRA Inspection – Dave Hausmann thanked everyone for the change in dates due to weather. The inspection ended up being on Wednesday, May 16 afternoon and evening with 14 cars. He indicated that if members who could not attend the inspection and had their cars available after the meeting, he would complete their inspection. There is urgency in getting the forms completed and submitted as he and Kathy will be leaving on a trip and will not return before the deadline. He thanked everyone for the pot luck dinner that was held after the inspection. Marlin noted that Dennis and Marty Ottenbacher are planning to retire. They are planning to get out of the business and hoping to have prospective buyers. Dennis is willing to stay on for a while to assist in the transition.
