

September 2017

President's Message

This has been a busy month for all of us and there is not much sign of slowing down as we head toward the end of the kruizing season and on into fall and winter 2017. The past weeks have found Club members all over the region. Kool Deadwood Nites was well attended by our group and, by all accounts, another great gathering of kool kars. The final weekend of 2017 racing at Oahe Speedway took place over Labor Day Weekend with several members attending the event. The Club was well represented at the SDPTV event downtown Fort Pierre on Friday, September 8, and we hope that our Club will have a few minutes of "kar" time on the broadcast. Stay tuned for the air date. Pierre Street Masters was well represented at the 38th Annual Vintiques Kampeska Kampout and Rod Run at Watertown, Sep 8-10. Lifetime Street Masters members, Dennis and Marty Ottenbacher, won the Mayor's Choice with their immaculate '50 Chevrolet pickup. The final Fort Pierre Bicentennial Farmer's Market event was last evening with an even dozen Club member kars on display. Thank you to all the Club members for continued support of all these events.

The next big event on our schedule will be the "Fireball Run" gathering on Pierre Street, Friday September 29. The Pierre Chamber has approached the Club, asking for 15-20 Street Masters kars for display that day between the hours of Noon and 7:00pm. All vehicles must be parked no later than Noon that day. There will be a sign up sheet passed around at the upcoming Club meeting. We must have your name on the list so that the Chamber can plan for you. In the event that you cannot attend the meeting, you must email Marlin at mrarwr@pie.midco.net to confirm your entry. There will be limited parking. Laura Schoen Carbonneau, Pierre Chamber President, has been invited to the meeting to further discuss plans for the event.

We do have a limited supply of t-shirts and a few sweatshirts from the Dam Run inventory to sell. Monacha and Ryan will have the remaining stock at the meeting. The stock is limited to extended sizes and the remaining stock will be for sale.

We do have to set dates for the Steak Fry and Christmas Gathering very soon. Please bring your thoughts and ideas to the meeting.

Looking forward to seeing you at the upcoming Club meeting, Monday, September 18, at McClelland's Restaurant, 7:00pm...Dinner at 6:00pm if you so choose.

If you have not yet paid your annual dues, please plan to take care of that at the meeting.

Lastly, remember to wear your name tag to the meeting, or fork out the \$1.00 penalty...exact change is required...Lame excuses will not be tolerated....

Thank you, again, for your continued support for the “recognition, restoration, preservation and safe operation of special interest automobiles.”

Regards,

Marlin

**Street Masters Minutes
August 21, 2017**

Members Present: 33

President Marlin Roseland called the meeting to order.

The July 2017 minutes and treasurer’s reports were read and adopted.

Club accolades: Great job, and thank you, to all club members as hosts for the Dam Run. Gary and Carol Johnson were welcomed as new club members.

Committee Reports:

- Dam Run – Chairman, Frank Eich, reported that the committees did a great job which resulted in a successful event. The campground tours went much better. Pat Buscher, GFP, was thankful for the new process; they served 530 floats. Marking off the Lariat Lanes greatly assisted in the lineup for the cruise; need to repeat that process next year. Members asked that campers be informed that we cannot throw candy; perhaps add to the posters. Saturday meal worked much better; everyone was served in 25 minutes. Calling each table by numbers and having two serving lines, one on each side of the room, worked well. Having the one salad and hash browns seemed to be accepted. There were complaints that members had been asked to eat last. Dave Hausmann reported that he had lots of good help at the gravity drags and people seem to enjoy that event. Once the decision was made on how and where to place the vehicles for the show-n-shine, using the front of the Capitol worked great. Because of the road construction in front of the Capitol, vehicles left for the poker run through the “entrance” end of the circle drive. Awards went well; Marlin Roseland has and will continue to post Dam Run pictures as they are given to him. Marlin asked that each committee chair submit a report outlining tasks, procedures, and pertinent information so it is available for next year’s committee chairs. Bob Thielen thanked those members who obtained donations; members did a great job in collecting money, raffles, and/or door prizes.**
- Membership – Rich Shangreau reported that five or six new members were added during the Dam Run. Continue to give him names of potential members and share our “informational” cards with potential members. Any current members who did not pay membership at the Dam Run, need to get that done.**
- Scholarship – Roxie Thielen will confirm college attendance of the two 2017 scholarship recipients and will work with BankWest to get the awards issued.**
- Cruise schedule – Cale Zickrick has the August schedule on our website and will finalize some September events after new business discussions.**

Old Business:

- Fort Pierre Bi-Centennial – Thank you to all who participated in the July Fort Pierre Farmers Market; 22 vehicles participated and Street Masters' have been invited back for another evening.
- Name tags – Please remember to wear your name tags at club meetings and all other club events. The “penalty” jar will continue to be available for those not wearing their name tag at club meeting.
- Upcoming events -- Vintiques show in Watertown is Sept 8-11; Cool Deadwood Nights is this week and the Outcasts show in Mitchell is in September.

New Business:

- Fort Pierre Bi-Centennial – Street Masters have been invited to another Farmers Market August 29 or September 5th or 12th. Members decided on September 12.
- Patrick Callahan & SDPTV – Patrick Callahan is working with SD Public TV to produce a program on Friday, September 8, for Tales along the Bad River for the Bi-Centennial . There will be a free concert behind the Spur and Patrick would like to use Street Masters' vehicles to highlight the evening's event. The production will be aired about a month after the event. He would like to lineup vehicles about 6 p.m. with the concert beginning at 7:30. Venders will be available for food.
- Fall steak fry – Be thinking of a date for this; plans will be confirmed at the September meeting.
- Christmas party – Be thinking of when and where we want to do this.
- Cruise night – The Ellerton's hosted another successful cruise night. These attract lots of attention for Classics and this time caught the attention of some out-of-staters passing through town.
- Dam Run – Dale Hunsley shared that Mark Wheelhouse is still very interested in hosting the Gearhead Reunion at the Quality Body Shop and is willing to barbeque for everyone.
- Newsletter – Some members were unable to open the August newsletter. Remember that the newsletter is always posted on the website so it can also be accessed there.

Meeting adjourned

Roxie Thielen, Secretary/Treasure

UPCOMING EVENTS
